

# Nicole Mattson Memorial Athletic Scholarship

Nicole Mattson was a senior at Rancho Cotate High School in 2004. She was a student in the Cotate-Rohnert Park School District her entire life. During Nicole's years in school she was able to indulge her love for the game of softball playing for the Rohnert Park Girls Softball League, the Rohnert Park Rebels and at Rancho Cotate High School. Nicole was a great pitcher! She had a GPA of 3.0 in high school. Nicole also served as the statistician for Rancho's boy's basketball team and loved to watch soccer, football and wrestling as well.

The Nicole Mattson Memorial Athletic Scholarship was established to honor Nicole after a fatal car accident on September 6, 2004 took her away too soon. The Nicole Mattson Memorial Athletic Scholarship will provide Rancho Cotate High School senior-athletes who wish to continue their education with some financial assistance. Nicole would be very proud and honored to be remembered in this way. This Athletic Scholarship will target athletes who have a financial need along with meeting the other criteria outlined in the attached documents and application.

The Athletic Scholarship will award one student who applied for and met the criteria. The award will be deposited to the student's account at the college of their choice.

The student will be selected by the Nicole Mattson Memorial Athletic Scholarship fund administrator after careful review of all applications and associated criteria. The winning applicant/s will be announced at the Rancho Cotate High School end-of-the-year Senior awards assembly.

If the applicant selected declines the award or fails to attend college in the fall, an alternate will be chosen from the other applicants.

In order to keep the Nicole Mattson Memorial Athletic Scholarship fund active, there will be future fundraising activities or you can make a personal donation to the fund by mailing your donation to:
